

Upcoming Continuing Medical Education Opportunities

The mission of the Continuing Medical Education program at Scripps is to provide medical information in the clinical expertise of Scripps that is relevant to patient care. Scripps is committed to lifelong learning for physicians and other health care workers who participate in its educational activities.

Scripps Clinic Grand Rounds in Cardiovascular Diseases

Scripps Green Hospital, William Evans Conference Room, Year-Round, first Thursday of every month, 5:30 to 6:30 p.m.

Sept. 2

Therapeutic Renal Denervation, Central Sympathetic Drive and Hypertension

Objectives: To review the physiology of renal sympathetic efferent and afferent nerves; To describe endovascular denervation of the renal sympathetic nerves; and to discuss the role of sympathetic drive in connecting hypertension and insulin resistance.

Speaker: **Paul A. Sobotka, MD**
Chief Medical Officer
Ardian, Inc. • West St. Paul, Minnesota

Professor of Medicine and Cardiology
The Ohio State University

Note this conference will not offer Continuing Medical Education (CME) credits

Grand Rounds

Timken Amphitheater, Scripps Green Hospital, September thru June, Wednesday's noon - 1 p.m.

Sept. 1 – Quality Improvement Lecture (1 of 4)

Objectives for Quality Improvement Lecture series: To evaluate the role of medical staff in quality improvement initiatives; to discuss the various methodologies used in quality improvement; to summarize how quality improvement methodologies can be applied to a clinical problem; and to access resources within Scripps to begin a quality improvement initiative.

Title: Increasing your IQ with QI: Medical Staff and the Quality of Care Delivered

Speaker: **Edward Chaplin, MD**
Medical Director of Quality
Scripps Memorial Hospital • La Jolla, California

Sept. 8

Analgesic Overdose: A Grand Rounds Initiative

Objectives: To identify patients who are likely to self-treat and overdose with analgesic therapies; to evaluate the benefits and risks of commonly used analgesics; and to recognize the signs and symptoms of overdose from commonly used analgesics and understand the associated counteracting treatments.

Speaker: **Frank LoVecchio, DO, MPH, FACEP**
Attending Physician and Resident Research Director
Department of Emergency Medicine
Mericopa Medical Center
Medical Director and Attending Physician
Good Samaritan Regional Poison Center
Attending Physician, Departments of Pediatrics and Intensive Care
Phoenix Children's Hospital • Phoenix, Arizona

Sept. 15

Scripps Robotic Surgery Program: An Overview

Objectives: To describe the differences between Robotic Surgery and Laparoscopic Surgery; To discuss the clinical advantages of the Robotic technique; to discuss the applications of Robotic Surgery and to describe the financial impact of Robotic Surgery.

Speaker: **Carol Salem, MD**
Medical Director, Minimally Invasive Robotic Surgery Program,
Scripps Health • San Diego, California

Sept. 22

Ovarian Cancer Doesn't Whisper Anymore!

Objectives: To discuss the benefits of considering ovarian cancer earlier in the differential diagnosis and to discuss treatment options.

Speakers: **Peg Ford & Trudy LaDue, Survivors**

Afshin Bahador, MD
South Coast Gynecologic Oncology • La Jolla, California

Clinical Instructor, Department of Obstetrics and Gynecology
Division of Gynecologic Oncology
Los Angeles County, University of Southern California Medical Center, Women's and Children's Hospital
Clinical Instructor, Department of Obstetric and Gynecology, Balboa Naval Medical Center
Section Head, Division of Gynecologic Oncology • City of Hope National Medical Center

Sept. 29 – **The Donald and Lois Roon Visiting Lectureship**

A molecular approach to vascular prosthetics

Objectives: To review the history of vascular implants; to explain the basics of surface molecular events; and to propose an approach to molecular defined surfaces by nanotechnology using pharmacological methodology.

Speaker: **Julio C. Palmaz, MD**

Ashbel Smith Professor
University of Texas Health Science Center at San Antonio
San Antonio, Texas

The Tony Moore Internal Medicine Conference

Timken Amphitheater, Scripps Green Hospital, September thru June, Thursday's noon - 1 p.m.

Sept. 2

The Philip A. Higginbottom Zebra Case Conference

Speaker: **Shazia M. Jamil, MD, FCCP**

Division of Chest and Critical Care Medicine
Scripps Clinic • La Jolla, California

Sept. 9 – **Resident Case Presentations**

Creutzfeldt-Jakob Disease: A Rare Cause of Headache

Objectives: To discuss the clinical manifestations, diagnosis and treatment of a rare prion disease.

Speaker: **Charles Feng, MD**

Internal Medicine Resident, Scripps Clinic Green Hospital

Case of the Febrile Body Builder

Objectives: To discuss the differential diagnosis of rhabdomyolysis; to review pathophysiology of rhabdomyolysis; to describe rare causes and research; and to review the diagnosis and treatment.

Speaker: **Dana Copeland, MD**

Internal Medicine Resident, Scripps Clinic Green Hospital

Sept. 16 - **M & M Conference- in conference room 226A & B ** (CME credit is not awarded) ****

Sept. 23 – **Resident Case Presentations**

Title and Objectives TBA

Speaker: **Kristen Rogers, MD**

Internal Medicine Resident, Scripps Clinic Green Hospital

The Presentation, Management and Sequelae of Common Variable Immunodeficiency (CVID)

Objectives: To describe the manifestations of Common Variable Immunodeficiency (CVID); to review the diagnosis of Common Variable Immunodeficiency (CVID); and to discuss the treatment of Common Variable Immunodeficiency

Speaker: **Mark Lee, MD**

Internal Medicine Resident, Scripps Clinic Green Hospital

Sept. 29

Leaving the Hospital can be Dangerous: Strategies to improve transitions of care

Objectives: To sensitise the audience about the dangers with care transitions and the cost associated with hospital readmissions; to discuss the available strategies to improve the discharge process and decrease readmissions; and to introduce the strategies we are piloting at Scripps Green Hospital

Speaker: **Liesbet Joris-Quinton, MD FACP FHM**

Division Head Hospital Medicine
Clinical and Administrative Affairs
Scripps Clinic Medical Group
Green Hospital-Room • La Jolla, California

CME Statements

Accreditation

Scripps Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Disclosure

It is the policy of Scripps Health to ensure balance, independence, objectivity, and scientific rigor in all sponsored educational programs. Course Directors, planning committees, faculty and all others who are in a position to control the content of any educational activity sponsored by Scripps Health are required to disclose any real or apparent conflicts of interest related to the subject matter of the educational activity.

Educational Grants

Scripps Clinic Grand Rounds in Cardiovascular Diseases is supported, in part, by educational grants from industry, in accordance with ACCME Standards. Appropriate acknowledgement will be given to all supporters at the time of the educational activity.

Cultural and Linguistic Competency

This activity is in compliance with California Assembly Bill 1195 which requires that all CME activities comprising a patient care element include curriculum addressing the topic of cultural and linguistic competency. The intent of this bill is to ensure that health care professionals are able to meet the cultural and linguistic concerns of a diverse patient population through effective and appropriate professional development. Cultural and linguistic competency was incorporated into the planning of this activity. **For additional information regarding California Assembly Bill 1195 please visit www.scripps.org/clinics to access the Cultural and Linguistic Competency Guide.**

For additional information and to view available course brochures, please contact Scripps Conference Services & CME at:
