COURSE OVERVIEW

Join Us! The AIHM Annual Conference provides a unique combination of educational experience and sacred space, blending the art and science of integrative health & medicine with the most pressing global issues. The Academy program is designed to give you clinically relevant information for your practice and tools to address the growing health issues humanity is facing.

Interprofessional expert speakers will take us on a journey through evidence-informed, comprehensive, affordable, sustainable person-centered care. Faculty will explore cutting-edge research in integrative medicine and key global issues for the health of our planet. The event includes numerous opportunities for personal renewal and deep community connection.

This educational course is for healthcare professionals seeking to expand their clinical competencies and advance their mind-body-spirit approach to healing. Credits will be available for many healthcare professionals: physicians (MD, DO, ND, DC, DOM), nurses, dietitians, acupuncturists, midwives, pharmacists, physician assistants, nurse practitioners and more.

About the AIHM

The Academy of Integrative Health & Medicine unites the many voices in integrative health to build bridges between professions and offer credible educational and certificate programs for licensed healthcare providers. The Academy empowers members by supporting true interprofessional and equitable collaboration. The Academy advocates for affordability and accessibility on behalf of patients and practitioners and builds leadership capacity with the next generation of caregivers. We are moving toward a new paradigm of health care for humanity and the planet.

Academy of Integrative Health & Medicine

About Scripps

Scripps Health, a nonprofit healthcare system based in San Diego, California, includes more than 2,600 affiliated physicians and over 13,000 employees at five acute-care hospital campuses, home healthcare services and a network of clinics, physician offices and outpatient centers. Scripps is committed to contributing to the future of medicine through its clinical research trials, graduate medical education and continuing medical education programs. More information can be found at www.scripps.org.

AIHM Inaugural Integrative Health & Medicine Awards Ceremony and Gala

On the final evening (Thursday, Oct. 29), we are gathering in celebration and fellowship to honor the work of those transforming medicine. Reception, dinner (fish, veggie or vegan and gluten-free options), awards celebration and dance party are all included. The AIHM Gala is expected to sell out early, so secure your ticket at a special rate and plan your travel accordingly!

Price: \$99 until Aug. 15; (Aug. 16–\$125; Oct. 18–\$150)

Focused Track: Integrative Medicine Board Review

This intensive board review course is offered during days 2, 3 and 4 (Mon. Oct. 26–Wed. Oct. 28) of the AIHM Annual Conference. This course offers attendees the benefits of both the outstanding first and last day plenary sessions, days 2, 3 and 4 keynotes AND a specially designed study course to prepare those MDs/DOs sitting for the American Board of Integrative Medicine (ABOIM) board exam, administered by the American Board of Physician Specialties (ABPS).

Designed and executed by a team of experts, the course offers a comprehensive overview of all key test domain sections. Pricing includes a guaranteed seat in the review course, as established by the ABOIM, a digital copy of the ABIHM's Curriculum Study Guide containing over 700 pages of material, and a packet of 250 sample study questions specifically developed to help prepare you for the board exam. For course offerings, see the "Integrative Medicine Review Courses" breakouts in attached schedule.

Price: \$250; Members \$225 (In addition to conference registration)

Pre-Conference Workshops

Three Pre-Conference Workshops are offered Saturday, Oct. 24. Pre-conference fees include course tuition, materials, CME credits, breakfast and lunch. Workshops require a separate registration from the main conference.

Price: \$350; Members \$300 (Aug. 15: \$450, Oct. 18: \$475)

Option 1: Integrative Oncology in Practice and Prevention

Speakers: Lise Alschuler, ND; and TBA

In this full-day workshop, practitioners will learn the latest natural therapies and conventional cancer treatments to improve the health outcomes of patients. Discover natural therapies that reduce cancer risks to bring health, healing and vitality to patients diagnosed with cancer. Lise Alschuler, ND, co-author of *The Definitive Guide to Thriving After Cancer*, will lead the workshop.

Option 2: Integrative Medicine & Your Practice—Business & Leadership Tools for Creating Success

Speakers: Mimi Guarneri, MD; F. Nicholas Jacobs, FACHE; Rauni Prittinen King, RN; James Maskell; Ellen W. Steifler, Esq.; Russell Faust, MD, PhD

This innovative course is designed for both healthcare providers looking to introduce integrative holistic medicine to their practices and seasoned clinicians (MDs, DOs, Nurses, NDs, DCs, LAc's, etc.) seeking meaningful information on improving their business outcomes. Healthcare professionals from all backgrounds will find this important seminar a valuable resource!

Option 3: Healer Within—Moving Through Change: Self-Care, Self-Compassion & Resiliency

Speakers: Daniel Friedland, MD; Nita Gage, DSPS, MA; Molly Roberts, MD, MS; Bruce Roberts, MD, Shannon Simonelli, PhD

Let us accompany you on a personal journey to transform burnout into resiliency. This phenomenal line-up will provide experiences and theoretical perspectives from a variety of models of change including Daniel Friedland's neuroscience-based model of change, 5Rhythms movement therapy, and shamanic indigenous native teachings.

Academy Launches Two-Year Fellowship, Directed by Tieraona Low Dog, MD

The nation's first truly interprofessional Fellowship in Integrative Health & Medicine brings health professionals together in an inspiring new team-based model that includes clinical training.

Fellows will gain interdisciplinary expertise in the **prevention and management of chronic disease** and the delivery of integrative care across populations, including the underserved. The ultimate goal: **personal and professional renewal** for clinicians, **enhanced wellbeing of people and the planet**, and the transformation of health care.

We are currently **accepting applications** for the Feb. 2016 class from the following: MD, ND, DO, DC, DDS, LAc, APRN, PA, RD, LCSW, PsyD and PharmD.
