Course Introduction

Conference Overview

Scripps Whittier Diabetes Institute's 2024 Updates in Diabetes Management program will highlight the latest concepts in the diagnosis and treatment of both type 1 and type 2 diabetes. Recent advances in medications, nutrition, surgical interventions, and diabetes technology will also be discussed. The course will be taught by renowned experts who are active in both patient care and clinical trials related to the management of diabetes. Attendees will be provided with necessary context to integrate relevant information into their practice to improve the quality of life for patients afflicted with diabetes.

Educational Objectives

After attending this live activity, participants should be able to:

- Describe considerations and precautions necessary when treating diabetes with comorbid renal and/or cardiac disease.
- Demonstrate the use of glucose monitoring technologies to effectively track patient blood glucose levels.
- Review evidence-based approaches to weight loss including dietary interventions, medications, and surgical options.
- Integrate new practice recommendations for the treatment of patients with diabetes from a PCP and specialist perspective.
- Identify and address health disparities that could negatively impact patient care within the clinical encounter.

Target Audience

- Primary Care Physicians
- Physician Assistants
- Nurse Practitioners
- Pharmacists
- Certified Diabetes Educators
- Dietitians
- Other Allied Health Professionals

Accreditation & Disclosure

Physicians

Scripps Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Scripps Health designates this live activity for a maximum of 7 *AMA PRA Category 1 Credit(s)*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Nurses and Nurse Practitioners

For the purpose of recertification, the American Nurses Credentialing Center accepts *AMA PRA Category 1 Credit(s)*[™] issued by organizations accredited by the ACCME.

The American Academy of Nurse Practitioners Certified Program (AANPCP) and the American Association of Nurse Practitioners (AANP) accept *AMA PRA Category 1 Credit(s)*[™] from organizations accredited by the ACCME.

Physician Assistants

PAs may claim a maximum of 7 Category 1 credits for completing this activity. NCCPA accepts *AMA PRA Category 1 Credit(s)*[™] from organizations accredited by the ACCME.

Pharmacists

The California Board of Pharmacy accepts as continuing professional education those courses that meet the standard of relevance to pharmacy practice and have been approved for *AMA PRA Category 1 Credit(s)*[™].

Commission on Dietetic Registration (CDR)

Registered Dietitians (RD) and Registered Dietitian Nutritionists (RDN) may claim a maximum of 7 Category 1 credits for completing this activity. The Commission on Dietetic Registration (CDR) accepts *AMA PRA Category 1 Credit(s)*[™] issued by organizations accredited by the ACCME.

ABIM Maintenance of Certification

Successful completion of this CME activity, **which includes participation in the evaluation component**, enables the participant to earn up to 7 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Commercial Support

This course is supported, in part, by educational grants from industry. In accordance with the ACCME Standards for Integrity and Independence in Accredited Continuing Education, a complete list of commercial support received will be provided to all learners who participate in the continuing education activity.
