

Rethink Thalassemia: A Deep Dive Into Its Pathophysiology, Risks, and Complications

PROGRAM INFORMATION

Saturday, February 15, 2025

12:00 PM PT

Please arrive 5-10 minutes early to sign-in to ensure the presentation can start on time.

Hyatt La Jolla

3777 La Jolla Village Drive, La Jolla, CA 92122

PRESENTER

Sherif Badawy, MD, MS, MBA
Director, Comprehensive Thalassemia Program
Ann and Robert H. Lurie Children's Hospital
Chicago, IL

Presenters are paid speakers presenting on behalf of Agios Pharmaceuticals, Inc.

EDUCATIONAL PROGRAM OBJECTIVES:

- Review the etiology and pathophysiology of thalassemia, including the roles of ineffective erythropoiesis and chronic hemolysis, as well as the heightened energy needs of red blood cells
- Share data on the burden of thalassemia and unmet needs in both NTD and TD patients
- Discuss the importance of appropriately managing and monitoring all patients with thalassemia
- Bring thalassemia to life via patient case studies

NTD, non-TD; TD, transfusion-dependent.

This program is educational in nature and does not promote or endorse a pharmaceutical product.
